Please read the following very carefully as it concerns your financial responsibility to the Health Care or Service Provider from whom you are about to receive services.

I, _____, [**the undersigned patient**] hereby agree to establish an irrevocable lien/ assignment of benefits or claim in favor of **LifeQuest Physical Medicine and Rehab** by this contract and pursuant to any state statutes that apply in the state where I reside. I give my permission for **LifeQuest Physical Medicine and Rehab** and/ or its agent, to file, record, and serve notice of this agreement (lien/assignment) upon myself and all other parties who may be liable to me for damages arising from this accident which occurred on or about _____[**date**], and any subsequent claims arising from this accident for which I am about to receive health care services. I understand that by doing so I have entered into a contract with **LifeQuest Physical Medicine and Rehab**. This agreement authorizes direct payment to **LifeQuest Physical Medicine and Rehab** from any and all proceeds from any insurance policy, settlement, compromise, judgement, verdict, or damages to which I may be entitled and paid in connection with the settlement of claims or litigation arising from this accident, in such sums necessary to fully compensate **LifeQuest Physical Medicine and Rehab**. The lien/ assignment created by this Equitable Lien Contract and Indemnification Agreement shall have priority from the time and date on which said documents are actually filed, or recorded or served on the liable parties, over any subsequent liens or assignments of my interests in claims arising from this accident.

On behalf of **LifeQuest Physical Medicine and Rehab**, I authorize to furnish my attorney and their agents and/or any applicable insurance company with a full report of the examination, diagnoses, prognoses and treatment and billing in regards to the accident resulting in my injury(ies) from the motor vehicle accident occurring on or about _____. This shall include disclosure of HIV results, substance abuse issues and any other information required by law.

I authorize and direct my attorney and or applicable insurance company to directly pay such sums that may be due and owing for professional services provided to me by reason of my accident, and to withhold such sums from any settlement, judgement, collateral source or verdict, as may be required to adequately protect **LifeQuest Physical Medicine and Rehab**. I further direct my attorney and/or applicable insurance company to pay **IN FULL** amounts owed to **LifeQuest Physical Medicine and Rehab** arising out of treatment of my injuries from said accident.

I irrevocably agree to list **LifeQuest Physical Medicine and Rehab** on any settlement draft(s)/ check(s). I also agree that this lien and all the rights granted to **LifeQuest Physical Medicine and Rehab** will continue in full force and be binding upon me and counsel if I change attorneys in the future. Should I change attorneys, I will notify **LifeQuest Physical Medicine and Rehab** promptly of the same. Should I obtain

new counsel, or not provide current whereabouts within a reasonable period of time, then **Life Quest Physical Medicine and Rehab** may deal directly with any applicable insurance company, so as to satisfy said lien obligation.

I also provide, by signing below, durable power of attorney on behalf of **LifeQuest Physical Medicine and Rehab** to be able to endorse and draft/ check on my behalf, so that any outstanding amount due and owing **LifeQuest Physical Medicine and Rehab** can be satisfied without any additional signatures from me.

I agree and acknowledge that this lien can and may be sold and reassigned and recognize that the purchaser of the lien will be entitled to all the rights, as expressed herein.

I understand that I am directly and fully responsible to **Life Quest Physical Medicine and Rehab** for all amounts due and owing and that this lien is being provided solely as additional protection to **Life Quest Physical Medicine and Rehab**. I provide this lien in consideration of **LifeQuest Physical Medicine and Rehab** waiting on payment. I further recognize that payment to **LifeQuest Physical Medicine** is not contingent upon settlement, judgment, or verdict that I may or may not eventually obtain as reimbursement of said fee.

I finally agree that I shall not submit, without express permission from **LifeQuest Physical Medicine and Rehab** the medical bills arising out of such lien for payment to any private health plan or state or federal government sponsored health plan, including but not limited to, Medicare and Medicaid. I also further agree that I will see LifeQuest Physical Medicine and Rehab medical providers on a lien basis, and allow billing to my private health insurance if I have any and only if my health insurance allows balanced billing. Should my health insurance not allow balance billing I agree to forego submission to my health insurance and allow my attorney to pay medical provider all expenses out of my settlement proceeds. If **LifeQuest Physical Medicine and Rehab** elects to bill an indemnification plan neither my attorney nor I will assert a claim for pro rata of attorney fees for collection of settlement funds or make a claim for reduction under **Samaritan vs. LaBombard**.
